SENATOR IBRAHIM, ARE YOU SAYING THAT NIGERIA IS A SAFER PLACE SINCE HIS APPEARANCE?

YES, MOST DEFINITELY...

HE HAS SUCH AMAZING POWERS...

SOME SAY BULLETS DON'T HURT HIM, THEY SAY HE IS INVULNERABLE...

SOME SAY HE'S SO FAST, HE'S ALMOST EVERY WHERE AT ONCE...

TUNNEL TV: ARE WE SAFER?

...TWO WEEKS AGO, HE SAVED A WOMAN AND HER BABY FROM A BURNING BUILDING. HE GOT HER TO AN HOSPITAL IN SECONDS...

MY MOTHER ALWAYS SAID...

WE KNOW THAT A WEEK AGO WHEN A BRT BUS WENT OFF THE 3RD MAINLAND BRIDGE AND WAS ABOUT TO CRASH INTO THE WATERS BELOW, HE CAUGHT THE BUS JUST BEFORE IT HIT THE WATER. EYE WITNESSES SAID HE CARRIED IT WITH ONE HAND!

...ALL IT TAKES FOR EVIL TO SUCCEED...

These are some of the questions we would answer here. Ok i know, too much english ba... So ,let's get to it.

WHO IS HE

Tunde Jaiye, a 25 year old fashion designer by day and a superhero whenever the need arises. lives in Victoria Garden, Lekki in Eko city. Son of Chief Bodun Jaiye, a politician and Mrs. Evelyn Jaiye, a business woman. Tunde, brought up mostly by his mom has lived a sheltered and pampered life and as a result has his perception of what he believes a better NIGERIA should be

HIS POWERS

Guardian Prime is the fifth element, one of the five elements essential for life to exist on earth (earth, water, air, fire and man) . He is the perfect man created how GOD intended man to be (in his image). He can do everything a normal human can do, only magnified to almost GOD-like levels. He has invulnerability, super strength, flight, speed, enhanced senses, ability to intensify his body heat and create fire and the ability to temporarily pass his invulnerability to any object he comes in contact with. A guardian is born to the human race every 2000 years; some live their lives without ever knowing. Gaya (Mother Nature) awakens the guardian in the host when the need arises. And this time the guardian is a NIGERIAN (Tunde Jaiye)
