ARE YOU TELLING ME THAT N.A.C.S.S COULDN'T HOLD THEM IN NIGERIA?

MR. PRESIDENT, N.A.C.S.S FIGHTERS WERE DISABLED BY THE SURPRISE DETONATION OF AN E.M.P. DEVICE OF SOME KIND. THE ALIENS HAVE COMMENCED A SILMULTANEOUS WORLD-WIDE ASSAULT.

ALL NATIONS ARE SCRAMBLING THEIR FIGHTERS. OUR DEFENCE SATELITES HAVE ALREADY BEEN DESTROYED AND THEY ARE ABOUT TO ENTER U.S. AIRSPACE.

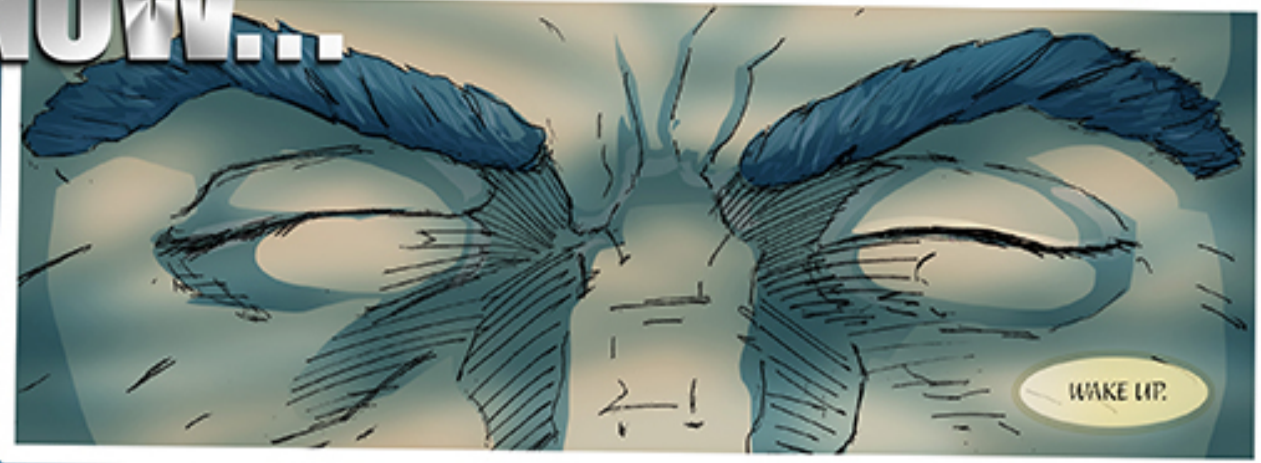

MR. PRESIDENT, YOU MAY HAVE TO CONSIDER THE NUCLEAR OPTION.

MY FELLOW AMERICANS, AT ABOUT 9AM EASTERN TIME, ALIEN WARCRAFTS INVADED OUR PLANET. OUR VALIENT MEN AND WOMEN OF THE ARMED FORCES AS WE SPEAK HAVE MOBILISED AND ARE RESISTING THIS UNPROVOKED ATTACK.

UNPROVOKED ATTACKS ARE NOT NEW IN OUR HISTORY. WE HAVE FACED DARK TIMES LIKE THESE BEFORE AND LIKE BEFORE, WE WILL RISE UP AND DEFEAT OUR ENEMY. NO MATTER THE ODDS, WE WILL HAVE VICTORY BY ANY MEANS NECESSARY. GOD BLESS AMERICA.

I AM ONE MAN,  
HOW CAN I  
SAVE THE WORLD  
FROM THIS?

FOR EONS, I HAVE  
PRESERVED THIS PLANET.  
I HAVE SEEN SPECIES BIGGER  
AND STRONGER THAN YOUR KIND  
BUT NONE WITH SO MUCH MIGHT  
AND POTENTIAL AS YOURS.

WHEN WILL YOU HUMANS LEARN  
THAT THE ALL FATHER  
HAS GIVEN YOU LIMITLESS POWER?  
ALL YOU HAVE TO DO,  
IS HAVE FAITH...

YOU ARE MADE TO PERFECTION.  
YOU ARE ALL THAT MAN CAN BE,  
ALL THAT HE SHOULD BE.

EVERY MAN HAS A PURPOSE,  
A DESTINY AND THIS IS YOURS:  
TO BRING THEM FAITH  
BOTH IN THEMSELVES  
AND IN THE ALL FATHER  
SO THEY KNOW  
THEY CAN SURMOUNT ANYTHING  
AND NOTHING IS  
IMPOSSIBLE.

YOU CAN BURN HOTTER THAN A BLUE STAR.

Hello. I must ask forgiveness in advance in case I end up rambling. I am writing this from the cell I have been imprisoned in by my kidnappers. I manage to scribble this, not with a pen, but with a bitten off piece of fingernail dipped in rat blood. I do not have much time left to....

Okay... I am being informed that this is not part of a comic story and I should therefore endeavor to ensure these contents conform largely entirely with reality. Alright, if you insist.

There are a lot of things I don't remember about how I started with comics. I don't remember the first comic I read. I don't remember the first comic character I ever liked. I don't even remember the moment I realized that comics were, without doubt, the best thing in the world. And of course, I don't remember the first comic story I ever made up.

But still, I do remember wondering why anyone would ever want to go play outside when all the comics were inside. I also remember how I felt when the comics I'd waited weeks/months for finally arrived in their brand new "shinynessness" (believe me, the word deserves an extra "ness" or two).

I also remember that by my mid-late teens, I would be walking along the road and suddenly realize that the lightning

strike that was supposed to hit me and give me my super powers was getting worryingly late (by several years, in fact).

Like most people, I gradually moved to books with more words than pictures and finally to books with no pictures at all. But thankfully, the comics never really went away. Sometimes I would remember them and sometimes I wouldn't, but they were always there. I got to call them different names depending on how pretentious I wanted to sound: Graphic Novels, Manga, etc.

I'm grown up now. But to tell you the truth... speaking just for myself...

I'm still waiting for my lightning strike.

If you're reading this, then you've taken time out of no time to read our comic. I do not take this for granted and I'm extremely grateful. Many people ask me "Why comics?", and I say "Because we need icons". In a time where it's difficult to find belief or faith in anything higher than one's self, our generation needs something to believe in and I think Heroes are just what we need. They have become the gods of old and the soldiers of tomorrow. A reminder that with a little extra we can perform wonders.

Late January this year, I had an accident that put my right hand and forearm in a cast and if you're like me, you can't do anything cuz I do everything with my right arm. Trust me, it's easy to get depressed when you can't eat, write, bath or even wear your own clothes without help and as an artist I couldn't draw anymore (or even hold a pencil) for a minimum of six weeks. At first I was really sad but then I thought 'What would Bruce Wayne do?' He would get up and work things out somehow. That's why we do comics. That's why I do Guardian Prime.

It's my little gift to my generation that we can be more than we are, we can be heroes.

Hope you like my art.  
Till the next issue,  
always have faith
